20th ANNIVERSARY EDITION FESTIVAL INTERNATIONAL DE CASTELIERS *March 3 to 9, 2025*

The power of the 11th art!

Montréal, January 22, 2025—Puppeteers, theatre fans and specialists from around the world will be on hand to celebrate the 20th edition of Festival international de Casteliers, March 3 to 9, 2025.

The festival line-up features remarkable creations from Belgium, France, Czechia, Germany, the United States, Québec and Canada. Shows, a documentary film, a concert, exhibitions, professional networking events, workshops and a parade will all play their part in the festive, artistic, and celebratory nature of this eagerly awaited annual event.

The selected works capture in gesture, material, images and movement stories of nature and the creatures that inhabit it, poetic legends, quirky tales, love stories, feats of courage, long-lost memories, and rediscovered objects.

Actress **Cynthia Wu-Maheux** is our spokesperson for this anniversary edition.

DIMANCHE (Focus and Chaliwaté Companies, Belgium) kicks off the 20th anniversary edition of the festival with a bang, presented at Théâtre Outremont on March 5 and 6.
